

Your pet has been referred to the Internal Medicine practice of Dr. Lynn Turner. Please take a moment to read over the policies of the practice and sign the form at the bottom.

1. The initial consultation fee for Dr. Turner is \$98.00 and a technician fee of \$15.00. Other fees incurred at the time of initial presentation of your pet are the charges of Metropolitan Veterinary Hospital. These include a hospital exam room fee of \$57.00 and a \$24.00 fee for the initial setup costs for the medical record. Total fees for the initial visit will be \$194.00
2. Recommended procedures and diagnostics will be discussed with you at the initial consultation and a written estimate will be provided.
3. Any additional procedures deemed necessary after you have been given an estimate will be discussed with you before the doctor proceeds.
4. A deposit of one-half of the written estimate will be required on hospital admission. This deposit will be applied to your total bill when you pet is released. The balance will be due when your pet leaves the hospital.

We accept Visa, MasterCard, Discover, American Express, cash and personal checks (with a valid driver's license).

I have read and understand the above policies and agree to the procedures and financial arrangements set forth in this policy.
