

### ***Join our Metro Cleveland-East Team!***

The Metropolitan Veterinary Medical Group is opening a second location!

Metropolitan Veterinary Hospital, a privately-owned Specialty and Emergency Referral Facility based in Akron Ohio, will be expanding into our “**Metro Cleveland-East**” location this Fall, 2021. We are actively recruiting Veterinary Technicians, Veterinary Assistants, Client Service Representatives, and Housekeeping Attendants to join our Metro Cleveland-East Team.

Metro has provided specialty and emergency care for over 50 years. With an established reputation of providing the “Gold Standard” of veterinary medicine, we are excited to be growing into the Cleveland area.
